

MEDIATIVE

Natalia Segura

is one of the founders of Mediative Ltd. After one of the partners decided to move back to Europe she chose to concentrate on Wedding photography mainly.

Portraits & Event photography is her domain. Lifestyle, Interior & School photography are her favorite commercial assignments.

Natalia's skills lay not only in photography but also in a great co-operation with her clients.

Natalia comes from Slovakia.

Stanislav Holota

is one of the founders of Mediative and now is working with Mediative on a contract basis.

Stanislav's skills lay not only in photography but also in a high lever of post-production. He does for Mediative a interior & product photos' post-production .

Stanislav is also one of our destination photographers covering Vienna, Bratislava, Budapest & Prague.

Stanislav comes from Slovakia and lives in Bratislava.

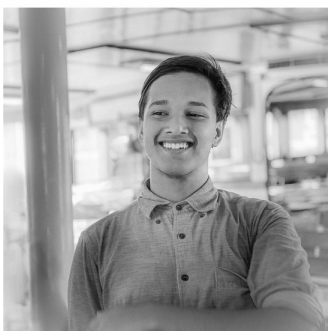

Maximilian Weber

As a assistant Maximilian is responsible for lighting & for video post-production (from pictures).

He had also showed that his artistic eye could be used for a documentary photography.

Maximilian comes from Slovakia. He lives and studies in Hong Kong.

As a son of Natalia, the founder, he naturally became her young assistant & video post-production. He is officially part of the team since May 2014.

M. Rajeebul Anwar

Young photographer who joined our team recently is gaining even more experiences with us as an assitant and a photographer.

Rajeebul worked for school magazines, is enthusiastic documentary photographer and loves taking pictures of racing cars.

Rajeebul comes from Bangladeshi. He is a student of American International School.

Mediative accepted his application as an intern in June 2015.
